

PUSH THROUGH THE BARRIERS

I am here to assist.

INCLUSIVE INSTRUCTIONAL DESIGN

Let's make your materials accessible!

Educate your team about Universal Design for Learning (UDL), receive support with instructional design projects, and create proactive accessibility planning for your business.

ACCESSIBILITY MAY BE THE MISSING LINK!

Do you need expert knowledge?

Meeting digital accessibility standards requires knowing how, where, why, when and what to apply during the development phase. You need an expert with knowledge that can deliver.

EVALUATIONS & RECOMMENDATIONS

Do you need a project evaluation?

Being accessible means providing the same access to all content regardless of a person's ability.

Accessibility laws prohibit discrimination. Whether an online course, website, or project, let me manage your digital accessibility needs.

TAKE A LOAD OFF YOUR MIND!

Do you want to do the right thing?

There are many variables and different obstacles to make projects accessible. Don't be overwhelmed, hire me to work with you to find solutions.
